

EQUITABLE STROKE CONTROL

(ESC)

For 18-hole handicaps

HOW TO ADJUST YOUR SCORE

COURSE HANDICAP	MAXIMUM SCORE POSTED ON ANY HOLE
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 and above	10

ESC is used when a player's actual or 'most likely score' exceeds a number, based on the above table, for the player's Course Handicap from the tees played.

All scores for handicap purposes, including tournament scores, are subject to the application of ESC. This mandatory procedure reduces high hole scores for handicap purposes in order to make handicaps more representative of a player's potential ability.
